Legends vs Wolverines

Lancaster holds a 12-4 advantage in the series with Niagara Falls with the first meeting between the schools being held in 1921. Niagara Falls won that game and the game in 1922, 27-0 and 37-0. There would be a break between meetings until the fall of 1975 when NF beat Lancaster 29-8. It would not be until 1976 that Lancaster would record its first victory over the Falls team, 12-6.

The squads have met in the playoffs in 2009 when in the 1st round the Red and Black beat the Wolverines 12-0 for the right to move on and play Lockport.

2012

In 2012, the 2 teams would meet in the season opener at Foyle-Kling Field. The Wolverines would get the jump on the home team and go to the half with a 10-0 lead. The 2nd half, Lancaster would score 10 points in the 3rd quarter to tie the game up. The final quarter only the Red and Black would score a TD and win the game 16-10.
