

Lancaster Football

1 Forton Drive, Lancaster New York

Dear Lancaster Football Supporters:

On behalf of the Lancaster High School Football Program, we are excited to begin preparations for the upcoming Fall 2023 football season. This fall will be Lancaster's 104th year of football. We are working extremely hard to put the best team together to represent our community and its families, but we need your help! Over the past seven seasons, we have accomplished many great things with the help of our community and alumni. Our annual sponsorship drive has helped us purchase team dinners, team attire and new equipment. This fundraising event also ensures that all players regardless of economic status have opportunities to compete and enjoy participating at a high level.

We thank you for your continued support. It is greatly appreciated. Go Lancaster!

Eric Rupp, Varsity Head Coach, Lancaster Football
